Information for the Church:

Many of you will know that Andrew Podd, as a homeless person, has been staying in the church shed. This has always been a temporary arrangement as we have been assisting him to obtain more appropriate housing. This week there has been contact with the Salisbury Council, with the result that Andrew will need to vacate the shed by Wednesday 6th March. The Council will be assisting us in further approaches to the Housing Trust to ensure that Andrew has a place to go to at this time. Please pray for this matter.

MISSING FIRST AID BOX:

If anyone has borrowed the first aid box that is kept in the pigeon holes in the front foyer, could it please be returned promptly. This is an essential item that will need to be replaced if it is not returned. See Chris if you are aware of the location of this missing first aid box.

From the Desk - I Don't Like Fishing

I have never caught a fish in my life and I see no point in looking at water in the hope that something might happen. As a painter, I would rather watch paint dry!

When Jesus called His disciples, it was with the ultimate purpose for them to become disciple-makers. The commission they received was, "Go into the entire world and make disciples." (Matthew 28:19).

Jesus as the Sovereign Lord could have well carried this task out by Himself, but He wanted His earthly disciples to be His partners in this ministry.

When Jesus called Peter and Andrew (Matthew 4:18) His instruction to them was, "Come follow Me and I will make you fishers of men."

I know a man who goes fishing from the Port Noarlunga jetty. He often catches fish, but also, in the process, he gives a witness for the Lord so that he can fish for men also.

Have you CAUGHT ANY "FISH" for the Lord lately? ARE YOU WHERE THE FISH ARE?

Mike Taylor
